

### **3.0 ANALYSIS OF ALTERNATIVES**

#### **3.1 General**

Chennai Port Trust proposes to further infrastructure development projects within existing limits of Chennai Port Trust in Chennai. The present site for the projects is selected based on the following considerations:

- a. Availability of suitable and adequate land
- b. Distance from reliable sources of land
- c. Road and railway access
- d. Availability of infrastructural facilities
- e. Environmental aspects

There are no sensitive area such as National Monuments, national parks and wildlife sanctuaries etc within 5km radius from the project site.

#### **3.2 Alternate Sites**

Proposed projects will be in existing Chennai Port Trust, owned by Chennai Port Trust and the area is already in use for port operations and suitable for all the proposed projects, therefore no alternate sites have been selected.
